**DECLARATION OF DEANNA HORST IN SUPPORT OF THE RESCAP BORROWER
CLAIMS TRUST’S SUPPLEMENTAL OBJECTION AND REPLY IN SUPPORT OF ITS
SEVENTY-FIFTH OMNIBUS OBJECTION TO CLAIMS (NO-LIABILITY
BORROWER CLAIMS) SOLELY AS TO CLAIM NO. 4445 FILED BY ALAN MOSS**

I, Deanna Horst, hereby declare as follows:

1. I am the Chief Claims Officer for The ResCap Liquidating Trust (the “Liquidating Trust”), and previously served as Chief Claims Officer for Residential Capital, LLC and its affiliates (“ResCap”), a limited liability company organized under the laws of the state of Delaware and the parent of the other debtors in the above-captioned Chapter 11 Cases (collectively, the “Debtors”). I have been employed by affiliates of ResCap since August of 2001. In June 2012, I became Senior Director of Claims Management for ResCap and, in October of 2013, I became the Chief Claims Officer of ResCap. I began my association with ResCap in 2001 as the Director, Responsible Lending Manager, charged with managing the Debtors’ responsible lending on-site due diligence program. In 2002, I became the Director of Quality Asset Management, managing Client Repurchase, Quality Assurance and Compliance—a position I held until 2006, at which time I became the Vice President of the Credit Risk Group, managing Correspondent and Broker approval and monitoring. In 2011, I became the Vice President, Business Risk and Controls, and supported GMAC Mortgage, LLC and Ally Bank in this role. In my current position, I am responsible for Claims Management and Reconciliation

and Client Recovery. I am authorized to submit this declaration (the “Supplemental Declaration”) in support of *ResCap Borrower Claims Trust’s Supplemental Objection in Support of Its Seventy-Fifth Omnibus Objection to Claims (No-Liability Borrower Claims)* Solely as to Claim No. 4445 Filed by Alan Moss (the “Reply and Supplemental Objection”).¹

2. Except as otherwise indicated, all facts set forth in this Declaration are based upon my personal knowledge of the Debtors’ operations and finances, information learned from my review of relevant documents and information I have received through my discussions with other former members of the Debtors’ management or other former employees of the Debtors, the Liquidating Trust’s employees, professionals, and consultants, and/or Kurtzman Carson Consultants LLC (“KCC”), the Debtors’ noticing and claims agent. If I were called upon to testify, I could and would testify competently to the facts set forth in the Reply and Supplemental Objection on that basis.

3. In my capacity as Chief Claims Officer, I am intimately familiar with the claims reconciliation process in these Chapter 11 Cases. Except as otherwise indicated, all statements in this Declaration are based upon my familiarity with the Debtors’ books and records that were prepared and kept in the course of their regularly conducted business activities (the “Books and Records”), the Debtors’ schedules of assets and liabilities and statements of financial affairs filed in these Chapter 11 Cases (collectively, the “Schedules”), my review and reconciliation of claims, and/or my review of relevant documents. I or other Liquidating Trust personnel under my supervision have reviewed and analyzed the proof of claim form and supporting documentation filed by Mr. Moss. Since the Plan became effective and the Borrower Trust was established, I, along with other members of the Liquidating Trust, have consulted with

¹ Capitalized terms not defined herein shall have the meanings ascribed to them in the Reply and Supplemental Objection.

the Borrower Trust to continue the claims reconciliation process, analyze claims, and determine the appropriate treatment of the same.² In connection with such review and analysis, where applicable, I or other Liquidating Trust personnel, together with the Liquidating Trust's and the Borrower Trust's professional advisors, have reviewed (i) information supplied or verified by former personnel in departments within the Debtors' various business units, (ii) the Books and Records, (iii) the Schedules, (iv) other filed proofs of claim, and/or (v) the official claims register maintained in the Debtors' Chapter 11 Cases.

4. The Debtors sent a Request Letter to Mr. Moss on June 21, 2013, requesting additional documentation in support of the Claim. The Request Letter stated that Mr. Moss must respond within 30 days with an explanation that states the legal and factual reasons why he believes he is owed money or is entitled to other relief from the Debtors, and that he must provide copies of any and all documentation that he believes supports the basis for his claim. The Request Letter further stated that if Mr. Moss does not provide the requested explanation and supporting documentation within 30 days, the Debtors may file a formal objection to the Claim, seeking to have the Claim disallowed and permanently expunged.

5. The Debtors received a response to the Request Letter from Mr. Moss on July 25, 2013 (the "Diligence Response"). A copy of the Diligence Response is attached hereto as Exhibit A. However, the Diligence Response failed to allege bases for claims against the Debtors' estates. Further, as stated in the Objection, the Books and Records do not show any liability due and owing to Mr. Moss.

² The ResCap Liquidating Trust and the ResCap Borrower Claims Trust are parties to an Access and Cooperation Agreement, dated December 17, 2013, which, among other things, provides the Borrower Trust with access to the books and records held by the Liquidating Trust and Liquidating Trust's personnel to assist the Borrower Trust in performing its obligations.

6. On or around November 7, 2012, Mr. Moss filed a proof of claim against Executive Trustee Services, LLC (“ETS”), designated as Claim No. 4445 (the “Moss Claim”), asserting a general unsecured claim for \$750,000.00. See Exhibit B attached hereto.

7. The Debtors’ books and records show that non-Debtor CJ Mortgage, Inc. originated a loan in the amount of \$612,500.00 to Mr. Moss on June 22, 2005 (the “Moss Loan”), secured by a deed of trust on property located at 86 San Lucas Ave., Moss Beach, CA 94038 (the “Moss Property”). See Moss Note and Moss Deed of Trust, attached hereto as Exhibit D and Exhibit D, respectively. Subsequently, the Moss Loan was transferred to Option One Mortgage Corp. (“Option One”) on or around June 27, 2005. See Option One Assignment, attached hereto as Exhibit E. Option One then transferred the Moss Loan to TCIF, LLC (“TCIF”) on or around September 15, 2007, and TCIF subsequently assigned the Moss Loan to Bank of New York Trust Company (“Bank of New York”) on or around April 29, 2008. See TCIF Assignment and Bank of New York Assignment, attached hereto as Exhibit F and Exhibit G.

8. Debtor GMAC Mortgage, LLC serviced the Moss Loan from March 14, 2006 until servicing was transferred to Ocwen Loan Servicing on February 16, 2013.

9. ETS was appointed as substitute trustee on September 21, 2006. See Substitution of Trustee, attached hereto as Exhibit H.

10. On June 16, 2006, the Moss Loan was referred to foreclosure because the account was owing for the April 1, 2006 payment (the “June 16 Foreclosure”).

11. ETS recorded a notice of default on June 20, 2006 (the “2006 Notice of Default”). See Notice of Rescission of 2006 Notice of Default, attached hereto as Exhibit I. On May 4, 2007, a Notice of Rescission of the 2006 Notice of Default was recorded.

12. On September 17, 2007, the Moss Loan was referred to foreclosure because the account was owing for the July 1, 2007 payment (with the June 16 Foreclosure, the “Foreclosure Proceedings”).

13. ETS recorded a notice of default on September 18, 2007 (the “2007 Notice of Default”). See Notice of Rescission of the 2007 Notice of Default, attached hereto as Exhibit J.

14. On May 7, 2009, ETS conducted a trustee sale and acquired title in the property. ETS recorded a Trustee’s Deed Upon Sale on May 15, 2009 (the “Notice of Trustee’s Deed Upon Sale” and with the 2006 Notice of Default and 2007 Notice of Default, the “Notices”), which granted title in the property to Bank of New York.³ See Notice of Rescission of the Trustee’s Deed Upon Sale, attached hereto as Exhibit K. A Notice of Rescission of the Trustee’s Deed Upon Sale was recorded on September 18, 2012, and a Notice of Rescission of the 2007 Notice of Default was recorded on August 19, 2013. See Notices of Rescission. Upon information and belief, Mr. Moss continues to hold title to the Moss Property, subject to the note and the deed of trust.

15. On July 22, 2009, Mr. Moss filed litigation against Bank of New York in Superior Court, San Mateo County, CA (the “Superior Court”), case number 486130. See Bank of New York Complaint, attached to the Moss Response as Exhibit 2. In the Bank of New York Complaint, Mr. Moss sought to set aside the trustee sale due to it being void. See Bank of New York Complaint, p. 6.

16. On May 5, 2011, Mr. Moss filed a parallel lawsuit against ETS in the Superior Court, case number 505386, for negligence, fraud, and intentional infliction of

³ The foreclosure sale was conducted by the Debtor in error due to a failure to communicate timely, notice of conditions that would have warranted a cancellation of the foreclosure. See Rescission of Notice of Trustee’s Deed Upon Sale.

emotional distress resulting from ETS executing the Notice of Default and the Trustee's Deed Upon Sale. See ETS Complaint, attached to the Moss Response as Exhibit 1. ETS did not enter an appearance in the case, and on June 17, 2011, a default was entered. See ETS Docket, attached hereto as Exhibit L. A motion to set aside the default was filed on April 4, 2012, and was not heard by the court before the imposition of the automatic stay in the Chapter 11 Cases. See id. No default judgment was ever entered against ETS. See id.

17. In November 2013, Bank of New York, through Ocwen Loan Servicing, LLC ("Ocwen") as its servicer, completed a settlement with Mr. Moss that included a dismissal with prejudice of the Bank of New York Complaint. The terms of the settlement are subject to a confidentiality provision.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Re: ResCap Bankruptcy
Claim No. 4445, Alan Moss

Dear Sirs::

Pursuant to your letter of June 21, 2013(on Morrison and Foerster letter head), enclosed you will find my response to the information requested regarding Claim No. 4445.

I have attached four documents as Exhibits 1 - 4 to that form entitled Claim Information." These four documents explain in great detail the lawsuit I filed against Executive Trustee Services, LLC("ETS") and which was stayed by operation of the bankruptcy filing, and which was the basis of my claim against the debtor. The claim in each are identical as set forth on that form. The lawsuit is still pending.

ETS is one of the debtors encompassed in the ResCap bankruptcy. ETS acted as trustee and initiated and consummated a trustee sale of my property, when it was illegally appointed as a substitute trustee, and due to its negligence, failed to ascertain if they had been given proper authority to act as trustee. It had not. ETS has now rescinded the sale and returned title to me. However, I suffered and continue to suffer great damages as a result of its illegal action, all of which is explained in the documents attached. My action was stayed one day before a default judgment prove-up hearing to establish the extent of damages—the amount of which is identical to the claim I filed in this ResCap action.

I believe this fully responds to your request for information. If for some reason it does not, please let me know.

Very truly yours,

ALAN MOSS

26

1 otherwise, of defendants sued herein as Does I through 50, inclusive, are unknown to plaintiff,

4 and believes, and thereon alleges, that said defendants, and each of them, are responsible in
5 some manner for plaintiff's damages as herein alleged.

7 mentioned, each of the defendants was the agent of the remaining defendants and, in doing
8 the things herein alleged, was acting within the course and scope of such agency.

9 5. Plaintiff has owned and resided in the property located at 86 San Lucas,
10 Moss Beach, California (the "property"), within the County of San Mateo, continuously from
11 1984 to the present. The legal description of the property, as contained in the official records
12 of San Mateo County, is APN No. 037-275-120, Lots 22 and 23, Blk. 13, Riviera Ocean
13 Villa.

14 6. According to actions taken by defendant hereinafter described, the subject
15 property also included Parcel No. 037-275-170, Lot 20 when it was encumbered by the finan-
16 cial instrument which is the subject of this lawsuit. Lot 20 is not contiguous to Lots 22 and
17 23, but rather is separated by a legally separate lot, Lot 21.

18 7. On or about June 22, 2005, plaintiff took out a loan against the subject pro-
19 perty, as evidenced by a note. Plaintiff was the borrower. CJ Mortgage, Inc. was the lender.

20 8. The Note was secured by a Deed of Trust, in which the purported parties
21 were: CJ Mortgage, Inc. as the beneficiary, Alliance Title was the trustee, and plaintiff was
22 the trustor. Said Deed of Trust described the property as APN 037-275-170-6. Said instru-
23 ment was recorded on July 5, 2005.

24 9. The County of San Mateo does not contain any APN number with the des-
25 cription 037-275-170-6.

1 10. The original lender, CJ Mortgage, Inc. drafted both the Note and Deed of
2 Trust. Plaintiff took no part in the drafting of these documents, which were drafted so as to
3 bifurcate the debt(Note) from the security(Deed of Trust) in order to, on information and be-
4 lief, facilitate the creation of certain securitized investment vehicles.

5 11. According to public records on file with the Recorders Office of San Mateo
6 County, on or about June 27, 2005, said property was allegedly assigned to Option One Mort-
7 gage Corporation by CJ Mortgage Inc. The trustee listed in said assignment was Alliance
8 Title. Said alleged assignment was recorded on April 4, 2007. A true and correct copy of said
9 assignment as contained in the official records of the County of San Mateo is attached hereto
10 as Exhibit 2. Plaintiff herein never received notice of said assignment. Said instru-ment was
11 recorded on July 5, 2005.

12 12. On or about October 26, 2005, Option One Mortgage Corporation prepared
13 a document entitled "Substitution of Trustee," in which it substituted Premier Trust Deed Ser-
14 vices Inc. as trustee in place and stead of Alliance Title. Said document was recorded on
15 February 3, 2006. A true and correct copy of said assignment as contained in the official re-
16 cords of the County of San Mateo is attached hereto as Exhibit 3.

17 13. On or about October 26, 2005, an entity set forth as "TCIF REO2, LLC"
18 prepared a document entitled "Substitution of Trustee," in which it claims to be the "present
19 beneficiary and claims to substitute Executive Trust Deed Services, LLC fka Executive
20 Trust Deed Services, Inc." as trustee in place and stead of, on information and belief, Premier
21 Trust Deed Services Inc. Said document was recorded on November 10, 2006. This docu-
22 ment was signed in Pennsylvania by a Margie Kwaitanowski, as vice-president of TCIP
23 REO2, LLC. On or about October 25, 2005, Ms. Kwaitanowski was actually employed by
24 GMAC in Pennsylvania, a business entity of unknown legal form. In addition, the notary on
25 the document was Brenda Staehle, who was also an employee of GMAC. A true and correct
26

1 copy of said assignment as contained in the official records of the County of San Mateo is at-
2 tached hereto as Exhibit 4.

3 14. On or about October 26, 2005, TCIF REO2, LLC was not the present bene-
4 ficiary under the deed of trust referred to hereinabove, nor had it been assigned the deed of
5 trust as of that date.

6 15. On or about November 10, 2006, TCIF REO2, LLC was not the present be-
7 neficiary under the deed of trust, nor had it been assigned the deed of trust as of that date.

8 16. According to public records on file with the Recorders Office of San Mateo
9 County, on or about September 15, 2007, said property was allegedly assigned to "TCIF,
10 LLC" by Option One Mortgage Inc. The signature of the officer of the assignor was notar-
11 ized more than four months prior to the signature of the representative of the assignor, on May
12 7, 2007; the date of May 7, 2007 was interlineated by handwriting after a typed date of May
13 8, 2008 was crossed out. The document was allegedly notarized on May 7, 2007; the "7" of
14 the "2007" date was written by hand over the "8" of the typed "2008." Plaintiff is informed
15 and believes, and on that basis alleges, that this document was actually signed and notarized
16 on My 8, 2008. Said alleged assignment was recorded on June 16, 2008. A true and correct
17 copy of said assignment as contained in the official records of the County of San Mateo is at-
18 tached hereto as Exhibit 5. Plaintiff herein never received notice of said assignment.

19 17. According to public records on file with the Recorders Office of San Mateo
20 County, on or about September 17, 2007, a Notice of Default was recorded against said pro-
21 perty. Said document was issued by "TCIF REO2, LLC c/o Executive Trustee Services
22 LLC." The document was signed by "Executive Trustee Services, LLC as agent for benefi-
23 ciary." The document was recorded on September 18, 2007. A true and correct copy of said
24 assignment as contained in the official records of the County of San Mateo is attached hereto
25 as Exhibit 6.

26

1 18. Plaintiff never received notice of any Notice of Default up to and including
2 the present time.

3 19. According to public records on file with the Recorders Office of San Mateo
4 County, on or about April 29, 2008, said property was allegedly assigned to The Bank of New
5 York Trust Company by TCIF, LLC. Said alleged assignment was recorded on June 16, 2008.
6 A true and correct copy of said assignment as contained in the official records of the County
7 of San Mateo is attached hereto as Exhibit 7. Plaintiff herein never received notice of said
8 assignment.

9 20. According to public records on file with the Recorders Office of San Mateo
10 County, on or about May 19, 2008, a Notice of Trustees Sale was recorded on said property
11 by ETS Services, LLC, which was, on information and belief, a sub-entity of Executive Trus-
12 tee Services. A true and correct copy of this document as contained in the official records of
13 the County of San Mateo is attached hereto as Exhibit 8.

14 21. On or about May 7, 2009, unbeknownst to plaintiff, a Trustee Sale took
15 place, conducted by defendant ETS, pursuant to the Notice of Default and Notice of Trustees
16 Sale, regarding the foreclosure on the property, in which defendant ETS as trustee, sold the
17 property.

18 22. On or about May 12, 2009, defendant ETS prepared a document entitled
19 Trustee's Deed Upon Sale which purported to grant to The Bank of New York Trust Com-
20 pany, title to said property. The document states that "grantee was the foreclosing benefi-
21 ciary." On information and belief, this was a full credit purchase sale, and no cash changed
22 hands, in derogation of the specific language of the Notice of Trustees Sale. The Bank of
23 New York Trust Company was not a BFP. A true and correct copy of this document as con-
24 tained in the official records of the County of San Mateo is attached hereto as Exhibit 9.

1 **FIRST CAUSE OF ACTION**

2 **(NEGLIGENCE)**

3
4 23. Plaintiff re-alleges and re-asserts, as though fully set forth herein, Para-
5 graphs 1 - 22 inclusive.

6 24. At all relevant times herein, defendant ETS, acting as trustee, owed plaintiff
7 an affirmative duty of care, that in fulfilling its responsibilities as trustee, and in particular to
8 exercise the power of sale of residential real property, to faithfully comply and strictly com-
9 port with the laws of California and the provisions of the deed of trust referred to herein-
10 above. In particular, because ETS was acting under a power of sale whose actions could re-
11 sult in the removal of plaintiff from his residence, and because ETS had an affirmative duty
12 of care to plaintiff, ETS had an affirmative duty of care to plaintiff to treat plaintiff fairly, in
13 a manner equal to the manner in which it was treating the alleged beneficiary, and in confor-
14 mance with the law.

15 25. Prior to issuing the Notice of Default and the Notice of Trustees Sale, de-
16 fendant ETS negligently failed to examine the chain-of-title of the subject property and negli-
17 gently failed to determine that it had not in fact been legally and properly substituted in as
18 trustee, and had no power and authority to issue said Notice of Default and Notice of Trustee
19 Sale.

20 26. At the time that defendant ETS was allegedly made trustee by virtue of said
21 substitution of trustee prepared and recorded by TCIF REO2, LLC , TCIF REO2, LLC was
22 not the present beneficiary of the deed of trust. Therefore, defendant ETS could not, and did
23 not, legally acquire the power of sale from the purported substitution; therefore, ETS had no
24 power and authority to issue said notices.

25 27. Prior to conducting the trustee's sale which resulted in plaintiff allegedly
26

1 losing his property, defendant ETS negligently failed to examine the chain-of-title of the sub-
2 ject property and negligently failed to determine that it had in fact been legally and properly
3 substituted in as trustee, and had the power and authority to conduct said trustee's sale.

4 28. At the time that defendant ETS was allegedly made trustee by virtue of said
5 substitution of trustee prepared and recorded by TCIF REO2, TCIF REO2, LLC was not the
6 present beneficiary of the deed of trust. Therefore, defendant ETS could not, and did not, le-
7 gally acquire the power of sale from the purported substitution; therefore, ETS had no power
8 and authority to conduct said trustee sale.

9 29. Prior to issuing the Trustees Deed referred to hereinabove, defendant ETS
10 negligently failed to examine the chain-of-title of the subject property and negligently failed
11 to determine that it had in fact been legally and properly substituted in as trustee, and had the
12 power and authority to issue said Trustees Deed.

13 30. At the time that defendant ETS was allegedly made trustee by virtue of said
14 substitution of trustee prepared and recorded by TCIF REO2, TCIF REO2, LLC was not the
15 present beneficiary of the deed of trust. Therefore, ETS could not, and did not, legally acquire
16 the power of sale from the purported substitution; therefore, ETS had no power and authority
17 to issue said Trustees Deed.

18 31. By doing the acts aforementioned mentioned, and each of them, defendant
19 ETS breached the duty of care it owed to plaintiff.

20 32. As a direct and proximate result of the negligence of defendant ETS, as set
21 forth hereinabove, plaintiff sustained damage, both physically, emotionally and financially,
22 and plaintiff prays judgment against defendant as hereinafter set forth.

23 **SECOND CAUSE OF ACTION**

24 **(NEGLIGENCE *PER SE*)**

25 33. Plaintiff re-alleges and re-asserts, as though fully set forth herein, para-
26

1 graphs 1 - 32 inclusive.

2 34. On or about September 21, 2006, defendant ETS was allegedly substituted
3 in as trustee of the Note and Deed of Trust as set forth hereinabove.

4 35. As the purported trustee under a Deed of Trust, ETS believed it had ac-
5 quired the powers enunciated in the Deed of Trust and the relevant statutes of the State of
6 California, i.e., Civil Code §§ 2924b and 2934, including the power of sale.

7 36. Acting under this supposed power, defendant ETS negligently issued a No-
8 tice of Default dated September 17, 2007 regarding the subject property.

9 37. Acting under this supposed power, ETS negligently issued a Notice of Trus-
10 tees Sale dated May 19, 2008.

11 38. Acting under this supposed power, defendant ETS negligently conducted
12 a Trustees Sale on said property, in which The Bank of New York Trust Company "bought"
13 the property on a credit bid and acting as the "foreclosing beneficiary."

14 39. Acting under this supposed power, defendant ETS negligently issued a
15 Trustees Deed to the Bank of New York Trust Company, purporting to pass title to said pro-
16 perty to The Bank of New York Trust Company.

17 40. At all relevant times herein, there was in effect California Civil Code §§
18 2924b and 2934 which provided the only method by which a beneficiary could substitute in
19 a new trustee and insin on said trustee all the powers of the previous trustee and trust deed.
20 Pursuant to said statute, only the beneficiary or beneficiaries had the power to substitute a new
21 trustee. On the date that ETS was substituted in as new trustee by TCIF REO2, LLC, TCIF
22 REO2, LLC was not the beneficiary under said Deed of Trust, because it was not assigned the
23 deed of trust until May 7, 2007 at the earliest.

24 41. Civil Code §§ 2924b and 2934 are a statutory scheme designed specifically
25 for the protection of trustors under a deed of trust, specifically in this case the plaintiff herein.

26

1 42. As a result of defendant ETS acting in derogation of the aforementioned
2 statutes, plaintiff was directly and proximately injured as hereinafter prayed and set forth.

3 43. As a direct and proximate result of the negligence of defendant ETS, as set
4 forth hereinabove, plaintiff sustained damaged, both physically, emotionally and financially,
5 and plaintiff prays judgment against defendant as hereinafter set forth.

6
7 **THIRD CAUSE OF ACTION**

8 **(FRAUD)**

9 44. Plaintiff re-alleges and re-asserts, as though fully set forth herein, para-
10 graphs 1 - 43 inclusive.

11 45. At the time that defendant ETS issued the Notice of Default and the Notice
12 of Trustee Sale, defendant ETS knew or should have known, that it did not have the legal au-
13 thority to issue said notices.

14 46. At the time that defendant ETS conducted the trustees sale set forth here-
15 inabove, defendant ETS knew or should have known, that it did not have the legal authority
16 to conduct said sale.

17 47. At the time that defendant ETS issued the Trustees Deed on said property,
18 as set forth hereinabove, defendant ETS knew or should have known, that it did not have the
19 legal authority to issue said Trustees Deed.

20 48. As a direct result of these aforementioned actions of defendant ETS, and
21 because of direct representations of defendant ETS to plaintiff, plaintiff was caused to believe
22 that his property was subject to being sold at a trustees sale and that said sale would not be
23 cancelled unless and until plaintiff reached an agreement with the loan servicer, GMAC.

24 49. Defendant ETS, by doing the acts hereinabove complained of, intended that
25 plaintiff rely on its official capacity and representations, and that plaintiff had to reach agree-
26

1 ment with GMAC to cancel said sale.

2 50. Due to the fraudulent misrepresentations made to plaintiff by defendant
3 ETS, and others purporting to act on behalf of those purporting to hold a beneficial interests
4 in the property, and their principals, agents, assignors, assignees and predecessor, plaintiff was
5 induced to reasonably rely on their express and implied assurance regarding loan forbearance
6 and forgiveness, cancellation and postponement of the foreclosure process.

7 51. Plaintiff reasonably relied on said representations in paying \$50,000.00 to
8 the loan servicer in order to cancel said sale; plaintiff reasonably and in good faith relied on
9 said representations that the sale would be cancelled; as a direct result, plaintiff believed that
10 defendant ETS cancelled said scheduled trustees sale.

11 52. In reliance on said representations, Plaintiff did not receive notice of any
12 subsequently scheduled trustee sale.

13 53. As a result of the fraudulent activities by defendant ETS, Does 1 through
14 50 and their assignors ad predecessors in interest, plaintiff has been damaged in an amount
15 to be determined at trial, both as to compensatory and punitive damages.

16 54. As a direct and proximate result of the negligence of defendant ETS, as set
17 forth hereinabove, plaintiff sustained damaged, both physically, emotionally and financially,
18 and plaintiff prays judgment against defendant as hereinafter set forth.

19

20

FOURTH CAUSE OF ACTION

21

(INTENTIONAL INFLICTION OF EMOTIONAL DISTRESS)

22

23 55. Plaintiff re-alleges and re-asserts, as though fully set forth herein, para-
24 graphs 1 through 54 inclusive.

25

26

56. Defendant's conduct, as hereinabove set forth, was intentional and mali-

1 cious and done for the purpose of causing plaintiff to suffer humiliation, mental anguish, and
2 emotional and physical distress. Defendant's conduct in confirming and ratifying that conduct
3 was done with knowledge that plaintiff's emotional and physical distress would thereby in-
4 crease, and was done with a wanton and reckless disregard of the consequences to plaintiff.

5 57. As a direct and proximate result of the acts alleged above, plaintiff suffered
6 humiliation, mental anguish and emotional and physical distress, and has been injured in mind
7 and body, all to plaintiff's damage.

8 58. By reason of the acts alleged above, plaintiff was prevented from attending
9 to plaintiff's usual occupation and thereby lost earnings. Plaintiff is informed and believes
10 and thereon alleges, that plaintiff will thereby be prevented from attending to plaintiff's usual
11 occupation for a period in the future which plaintiff cannot ascertain, and will thereby sustain
12 further loss of earnings.

13 59. The acts of defendants alleged above were willful, wanton, malicious, and
14 oppressive, and justify the awarding of exemplary and punitive damages.

15 60. Defendant ETS, Does 1 through 50 and any of their agents, principals, as-
16 signors, assignees, predecessor and related entities are in the business of real estate and knew
17 or should have known of the requirements of State law regarding the sale of real property.
18 Defendants, and each of them, deliberately and carelessly, or with such callous disregard for
19 State law that it amounted to recklessness, violated the requirements of State law as set forth
20 hereinabove.

21 61. Defendants intentionally, with callous disregard for plaintiff, and with ma-
22 lice aforethought violated numerous requirements of State law, and as a direct and proximate
23 result, plaintiff was severely injured and made to suffer for months on end as this process
24 went forward.

25 62. As a direct and proximate result of the negligence of defendant ETS, Does
26

1 1 -50, and their agents, as set forth hereinabove, plaintiff sustained damages, both physically,
2 emotionally and financially, and plaintiff prays judgment against defendant as hereinafter set
3 forth.

4
5 **FIFTH CAUSE OF ACTION**
6 **(NEGLIGENT INFLICTION OF EMOTIONAL DISTRESS)**
7

8 63. Plaintiff realleges and re-asserts, as though fully set forth herein, para-graphs
9 1 through 62 inclusive.

10 63. Defendant ETS, Does 1 - 50, and their agents, knew or should have known,
11 that its failure to exercise due care in the performance of its acts, as set forth hereinabove,
12 would cause plaintiff severe emotional distress.

13 64. Defendant's, and each of them, in their acts in defiance of the law, and in
14 a manner designed to be in derogation of California statute and the deed of trust, was a direct
15 breach of the law and statutes and deed of trust.

16 65. As a direct and proximate result of defendant's, and each of them, acts and
17 omissions, plaintiff suffered extreme emotional distress and threatened, and as of this date,
18 actual, loss of his property.

19 66. As a further proximate result of defendant's breach of duty and the conse-
20 quences proximately caused by it, as hereinabove alleged, plaintiff suffered severe emotional
21 distress and mental suffering, all to his damage.

22 67. As a direct and proximate result of the negligence of defendant ETS, as set
23 forth hereinabove, plaintiff sustained damaged, both physically, emotionally and financially,
24 and plaintiff prays judgment against defendant as hereinafter set forth.

1 WHEREFORE, plaintiff prays for judgment against Defendant ETS and Does
2 1 through 50 as follows:

3
4 AS TO THE FIRST CAUSE OF ACTION:

- 5 1. For special and general damages according to proof at time of trial.
6 2. For incidental damages in an amount to be determined at trial;

16 5. For such other and further relief as the court may deem just and proper.

17

18 AS TO THE THIRD CAUSE OF ACTION:

- 19 1. For monetary damages, both compensatory and punitive, in an amount to be determined
20 at trial;
21 2. For reasonable attorney fees;
22 3. For costs of suit incurred; and
23 4. For such other and further relief as the court may deem just and proper.

Action No. CIV 505386

**DECLARATION OF ALAN

REQUEST TO ENTER
DEFAULT JUDGMENT BY
COURT**

18
19 I, ALAN MOSS, declare as follows:

20 1. I am the plaintiff in this action, and as such, am familiar with the facts in-
21 volved in this matter, and if called to testify, could and would testify under oath as follows:

22 2. The Complaint in this matter was filed on May 5, 2011. The Complaint is
23 founded on theories of negligence against Executive Trustee Services, LLC f/k/a Executive
24 Trustee Services, Inc.(hereinafter "ETS"), who, acting as trustee, issued all notices regarding
25
26

1 a foreclosure action on plaintiff's property, conducted the trustee's sale, and thereafter issued
2 a trustee's deed. The allegations of negligence are based on (1) the breach of the duty that
3 ETS as trustee owed to plaintiff, and (2) the fact that ETS became trustee by substitution by
4 an entity who would not become the beneficiary of the note for some twenty-three months af-
5 ter the attempted substitution. Under long established California law, a trustee in a foreclosure
6 action owes an equal duty to both beneficiary *and trustor* to act with due care and in good
7 faith, and to insure that the entire process was legally and correctly done. *See Munger vs.*

11 CalApp.4th 579.

12 3. The Complaint and the Summons issued thereunder by the clerk of this court
13 were served on defendant by a California registered process server, California Civil Process,
14 Inc. of West Sacramento(hereinafter "CCP"), by serving CSC-Lawyers Incorporating Service
15 (hereinafter "CSC"). CSC is listed on the website of the California Secretary of State as the
16 agent for service of process of defendant ETS.

17 4. CCP informed me that the Complaint and Summons were accepted by CSC,
18 and that if CSC was not the proper agent for service of process on defendant ETS, CCP would
19 have been so informed and CSC would have rejected the papers forthwith. At no time from
20 the time of service to the present has CCP or the undersigned ever been informed that CSC
21 was not the proper agent for service of process on defendant ETS, nor have the papers ever
22 been rejected or returned.

23 5. A Proof of Service of the Summons and Complaint in this matter was filed
24 with the Clerk of this Court on June 2, 2011.

25 6. On June 17, 2011, the undersigned filed a Request To Enter Default with the
26

1 Clerk of this Court.

2 7. On June 17, 2011, the Clerk of this Court entered the default of defendant
3 ETS.

4 8. On August 22, 2011, the undersigned filed a Statement of Damages as to
5 defendant ETS with the Clerk of this Court.

6 9. On August 22, 2011, plaintiff filed Proof of Service of Statement of Da-
7 mages on defendant ETS, with a service date of August 9, 2011. Said service was completed
8 by CCP. At no time from the time of service to the present has CCP or the undersigned ever
9 been informed that the CSC was not the proper agent for service of process on defendant ETS,
10 nor have the papers ever been rejected or returned.

11 10. The facts underlying the Complaint in this matter are as follows:

12 A. Plaintiff has owned and resided in the property located at 86 San
13 Lucas, Moss Beach, California(the "property"), within the County of
14 San Mateo, continuously from 1984 to the present.

15 B. On or about June 22, 2005, plaintiff took out a loan against the sub-
16 ject property, as evidenced by a Note. Plaintiff was the borrower, and
17 CJ Mortgage, Inc. was the lender. The Note was secured by a Deed of
18 Trust, in which the purported parties were: CJ Mort-gage, Inc. as the be-
19 neficiary, Alliance One was the trustee, and plaintiff was the trustor.

20 C. According to public records on file with the Records Office of San
21 Mateo County, on or about June 27, 2005, said property was allegedly
22 assigned to Option One Mortgage Corporation by CJ Mort-gage Inc.

23 D. On or about October 26, 2005, Option One Mortgage Corporation
24 prepared a document entitled "Substitution of Trustee," in which it sub-
25 stituted Premier Trust Deed Services Inc. as trustee in place and stead
26

1 of Alliance Title.

2 E. On or about September 21, 2006, an entity set forth as "TCIF REO2,
3 LLC" prepared a document entitled "Substitution of Trustee," in which
4 it claims to be the "present beneficiary" and claims to substitute "Execu-
5 tive Trust Deed Services, LLC FKA Executive Trust Deed Services,
6 Inc." as trustee in place and stead of, on information and belief (such in-
7 formation is not set forth in the actual do-cument), Premier Trust Deed
8 Services Inc. Said document was recorded on November 10, 2006. This
9 document was signed in Pennsylvania by a Margie Kwaitanowski, as
10 vice-president of "TCIP REO2, LLC." On or about September 21,
11 2006, Ms. Kwaitanowski was actually employed by GMAC in Pennsyl-
12 vania, a business entity of unknown legal form. In addition, the notary
13 on the document was Brenda Staehle, who was also an employee of
14 GMAC. On or about September 21, 2006, "TCIF REO2, LLC" was not
15 the present beneficiary under the deed of trust referred to hereinabove,
16 nor had it been assigned the deed of trust as of that date. Thus, TCIF
17 REO2, LLC had no authority, power or legal right to substitute a new
18 trustee under the deed of trust.

19 r. Twenty-three months later, according to public records on file with
20 the Records Office of San Mateo County, on or about September 15,
21 2007, said property was allegedly assigned to "TCIF, LLC" (not TCIF
22 REO2, LLC) by Option One Mortgage Inc. The signature of the officer
23 of the assignor was notarized more than four months prior to the signa-
24 ture of the representative of the assignor, on May 7, 2007; the date of
25 May 7, 2007 was interlineated by handwriting after a typed date of May
26

1 8, 2008 was crossed out. The document was allegedly notarized on May
2 7, 2007; the "7" of the "2007" date was written by hand over the "8" of
3 the typed "2008." Based on conversations with this notary, Plaintiff
4 believes that this document was actually signed and notarized on My 8,
5 2008. Said alleged assignment was recorded on June 16, 2008.

6 G. According to public records on file with the Recorders Office of San
7 Mateo County, on or about September 17, 2007, a Notice of Default was
8 recorded against said property. Said document was is-sued by "TCIF
9 REO2, LLC c/o Executive Trustee Services LLC." The document was
10 signed by "Executive Trustee Services, LLC as agent for beneficiary."

11 H. According to public records on file with the Recorders Office of San
12 Mateo County, on or about April 29, 2008, said property was allegedly
13 assigned to The Bank of New York Trust Company by "TCIF, LLC."
14 Said alleged assignment was recorded on June 16, 2008.

15 I. According to public records on file with the Recorders Office of San
16 Mateo County, on or about May 19, 2008, a Notice of Trustees Sale was
17 recorded on said property by ETS Services, LLC , which was, on infor-
18 mation and belief, a sub-entity of Executive Trustee Services.

19 J. On or about May 7, 2009, unbeknownst to plaintiff, a trustee sale
20 took place, conducted by defendant ETS, pursuant to the Notice of
21 Default and Notice of Trustees Sale, regarding the foreclosure on the
22 property, in which defendant ETS as trustee, sold the property. The
23 Notice of Trustee Sale had expired under California law approximately
24 a year earlier.

25 K. On or about May 12, 2009, defendant ETS prepared a document en-
26

1 titled Trustee's Deed Upon Sale which purported to grant to The Bank
2 of New York Trust Company, title to said property. The document
3 states that "grantee was the foreclosing beneficiary." On information
4 and belief, this was a full credit purchase sale, and no cash changed
5 hands, in derogation of the specific language of the Notice of Trustees
6 Sale. The Bank of New York Trust Company was not a BFP.

7 L. Thereafter, the Bank of New York has attempted to oust plaintiff
8 from his residence, by the filing of two unlawful detainer actions in this
9 court. The first action(Action No. CLJ199552) was dismissed and the
10 second action(Action No. CLJ199935) was stayed by order of this court,
11 and ultimately dismissed by The Bank of New York.

12 M. The undersigned initiated an action against The Bank of New York
13 for *inter alia* wrongful foreclosure, which action defendant removed to
14 Federal District Court, where it is presently pending.

15 11. Based on the undersigned's investigation into the facts of this matter, and
16 legal research conducted, it was learned that the appointed trustee of a beneficiary has a legal
17 duty to the trustor equal to the duty owed the beneficiary. Based on this, this Complaint was
18 filed against defendant herein for negligence, negligence *per se*, fraud, intentional infliction
19 of emotional distress, and negligent infliction of emotional distress. The essential fact is that
20 ETS took its multiple actions to foreclose on plaintiff's home without ever checking to see
21 if they had the legal power to do so. A simple check of the county's recorded documents
22 would have revealed that the entity that supposedly ap-pointed it to act as trustee had no po-
23 wer to do so for at least twenty-three months. ETS clearly, and beyond dispute based on the
24 recorded documents on file with the County of San Mateo, breached the duty it owed to plain-
25 tiff herein, and as a result, caused extreme damage to plaintiff, which continues to this day.

1 12. The damages which have flowed from defendant's negligence, and were
2 proximately caused by defendant's negligence, are as follows:

3 A. Defendant had a duty to comply with California law, deliberately
4 acted in derogation of several requirements of California law, deliberately acted in derogation
5 of validly issued Orders from this Court, deliberately and intentionally, and this caused
6 plaintiff such emotional distress of such debilitating quality that no reasonable person in a
7 civilized society should be expected to endure it.

8 B. The allegations of outrageous conduct form the basis of the tort of
9 abuse of process: the use of the court to attempt to sanction illegal activity: "...misuse of the
10 power of the court; it is an act done in the name of the court and under its authority for the pur-
11 pose of perpetrating an injustice." That is precisely what happened here: the process server
12 lied that he had personally served the undersigned, and as a result, the Court quashed the al-
13 leged service—not once, but twice.

14 C. Defendant or its attorneys had a duty to ascertain the chain-of-title
15 or to insure that the trustee was acting within its authority. Yet even when this was pointed
16 out to them, they continued to harass plaintiff instead of taking any kind of corrective action.
17 Of note is the fact that even when their unlawful detainer action was stayed, they deliberately
18 showed up for trial three days later with witnesses to proceed. Had not the undersigned show-
19 ed up in court in an abundance of caution, the trial could have proceeded and a default judg-
20 ment obtained. If this is not deliberate interference with a court, it is difficult to perceive what
21 may be.

22 D. Nor can it be argued, though attempt be made, that specific vio-
23 lations of California law were not set forth in the Complaint. The Sixth Cause of Action speci-
24 fically incorporates the previous allegations in their entirety. Those allegations specifically
25 set forth the myriad violations of California law which were committed by this defendant.

1 E. This defendant fraudulently concocted and altered assignments in
2 order to attempt to establish a chain-of-title and create the apparent right of this defendant to
3 proceed with the foreclosure activities. These attempts went so far as to substitute a new
4 trustee months before the defendant had any ownership interest in the property and therefore
5 was without authority to substitute any new trustee. This was done by an employee of defen-
6 dant who had already been held in contempt by a Florida court and sanctioned for the very
7 same activities.

8 F. Defendant owed plaintiff a duty to know the law, to comply with the
9 law, and to not misuse judicial process in derogation of the law. It cannot be stated too force-
10 fully: the defendant engaged in conduct so obviously intended to harm plaintiff that it is evi-
11 dent on the face of the documents which the defendant has previously asked this court to judi-
12 cially notice. They doctored assignments and changed dates on the assignments such that the
13 defendant took title from an entity that didn't even have title at the time they assigned it to
14 defendant. And this occurred notwithstanding attempts on their part to legitimize this whole
15 matter by changing dates on assignment documents and notarizing these documents, in some
16 case four months early and in other cases more than a year later.

17 G. Because of the aforementioned, the undersigned came very close to
18 being evicted from his home. The foreclosing bank filed two separate cases in attempting to
19 evict plaintiff from his home. These actions, with their short time fuse, caused extreme emo-
20 tional distress on a day-to-day basis. Due to the short time limits, and the assumptions inher-
21 ent in the entire process, it became virtually impossible to predict what would happen from
22 day-to-day and week-to-week. Because one of the assumptions inherent in an unlawful de-
23 tainer action is the presumption of regularity, the courts were unwilling to provide plaintiff
24 with a fair and open-minded forum for resolving this matter. As a result of this, plaintiff was
25 forced to hire attorneys to defend him from eviction.

1 H. In order to maintain these lawsuits, there were process servers who
2 came to plaintiff's home at every hour of the day and night, screaming plaintiff's name in the
3 middle of the night, waking plaintiff and the neighborhood, and otherwise striking terror in
4 the heart of plaintiff. Further, the process server lied under oath that he had served plaintiff
5 with process. This was done on multiple occasions.

6 I. Plaintiff lives on a very quiet street with very limited traffic. Essen-
7 tially plaintiff lived for months listening to every car that passed by, waiting to see if the
8 vehicle would stop or keep going.

9 J. The process server would pound loudly on the door and scream plain-
10 tiff's name loudly at 2 o'clock in the morning, waking plaintiff and the neighborhodd. The
11 process server lied about personally serving plaintiff, which was never done, under oath to this
12 court. This is but one example of trying to scare plaintiff out of his home.

13 K. Neither plaintiff's attorneys nor plaintiff was ever able to speak to
14 the attorney of record for the bank. He never would take a call and would never return a call.
15 He was bent on achieving eviction, notwithstanding no legal basis for doing so. Even when
16 this court stayed the scheduled trial three days before it was scheduled, he had an attorney
17 show up at the courthouse with witnesses. If the plaintiff had not have showed up to inform
18 the presiding judge, the trial would have proceeded, notwithstanding that it had been stayed
19 by order of the court. The fear that was experienced during that weekend cannot be under-
20 stated. Further, over a period of a year, and throughout all of the court appearances in this
21 matter, numbering some twenty hearing, not once did the defendant's attorney show up in
22 court, He always hired other attorneys to do his work, who knew nothing of what had trans-
23 pired or what the facts were. This was like continuous torture that went on for over a year.

24 K. Throughout this entire period, the plaintiff was humiliated, unable
25 to function, unable to interact with his community, unable to sleep and unable to relate to
26

1 other individuals.

2 L. As it turns out, the bank's attorney has been suspended due to unethi-
3 cal behavior in foreclosure cases. What he was accused of doing is exactly what happened
4 to plaintiff. If plaintiff had not persevered and attempted to get the truth before the court, the
5 plaintiff would be out on the street.

6 M. Based on the above, the undersigned served and filed a Statement
7 of Damages pursuant to CCP 425.11, which set forth the following in money damages:

- 8 1. Pain and Suffering: \$365,000.00
- 9 2. Emotional Distress: \$365,000.00
- 10 3. Attorney Fees: \$16,960.98
- 11 4. Costs: \$1,500.00
- 12 5. Punitive Damages: \$748,460.98

13 N. These damage figures are based on damages of \$1,500.00 per day for
14 half of a year and \$500.00 per day for another half of a year for Pain & Suffering, and the
15 same allocation for emotional distress. The attorney fees were incurred in trying to prevent
16 eviction in the unlawful detainer action, which was in turn caused by defendant unlawfully
17 selling plaintiff's property, and thereafter issuing a Trustee's Deed to the Bank of New York.
18 The costs are the actual and estimated miscellaneous costs of litigation, including the fees for
19 a process server, mailing, copying, and the like.

20 13. Since the Complaint contains causes of action for *inter alia* intentional in-
21 fiction of emotional distress and fraud, punitive damages are appropriate in this case. The ut-
22 ter recklessness and carelessness, and the complete derogation of plaintiff's rights, the inten-
23 tional violation of mandatory California law, particularly where such violations go directly
24 toward plaintiff maintaining a dwelling, all indicate the appropriateness of punitive damages
25 in this case. That the allegations of this complaint are not isolated but are widespread is indi-

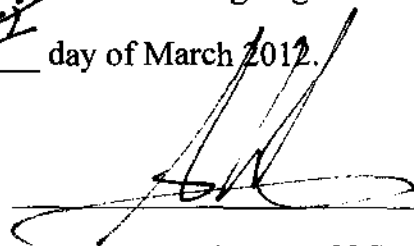

26

1 cated by the recent settlement between forty-nine of the Attorney-Generals of the country and
2 five of the largest banks/loan servicers in the country. The "robo-signing" that was rampant
3 has clearly been proven and the parties to this settlement have readily acknowledged their
4 guilt in this regard.

5 14. It is therefore appropriate to inform the court that one of the parties to the
6 global settlement is Ally Bank. Ally Bank is, on information and belief, the new name taken
7 by GMAC Mortgage. GMAC Mortgage now owns ETS. See Exhibit One attached hereto
8 and made a part hereof. GMAC's involvement in this instant matter is clear from a court fil-
9 ing in the case presently pending in Federal District Court in San Francisco, where an employ-
10 ee who identified himself as part of GMAC requested the Court to allow the substitution of
11 a new attorney on its behalf. GMAC is not named as a party to that lawsuit, and its entry is
12 obviously based on its role as a servicer of the loan on behalf of the Bank of New York.

13 15. Further, this illegal activity on the part of ETS caused extreme harm to
14 plaintiff's credit and other personal data.

15
16 I declare under penalty of perjury that the foregoing is true and correct.

INSTRUCTIONS FOR PROOF OF CLAIM FORM

The instructions and definitions below are general explanations of the law. In certain circumstances, such as bankruptcy cases not filed voluntarily by the debtor, exceptions to these general rules may apply.

Items to be completed in Proof of Claim form

Court, Name of Debtor, and Case Number:

Fill in the federal judicial district in which the bankruptcy case was filed (for example, Central District of California), the debtor's full name, and the case number. If the creditor received a notice of the case from the bankruptcy court, all of this information is at the top of the notice.

Creditor's Name and Address:

Fill in the name of the person or entity asserting a claim and the name and address of the person who should receive notices issued during the bankruptcy case. A separate space is provided for the payment address if it differs from the notice address. The creditor has a continuing obligation to keep the court informed of its current address. See Federal Rule of Bankruptcy Procedure (FRBP) 2002(g).

1. Amount of Claim as of Date Case Filed:

State the total amount owed to the creditor on the date of the bankruptcy filing. Follow the instructions concerning whether to complete items 4 and 5. Check the box if interest or other charges are included in the claim.

2. Basis for Claim:

State the type of debt or how it was incurred. Examples include goods sold, money loaned, services performed, personal injury/wrongful death, car loan, mortgage note, and credit card. If the claim is based on delivering health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information. You may be required to provide additional disclosure if an interested party objects to the claim.

3. Last Four Digits of Any Number by Which Creditor Identifies Debtor:

State only the last four digits of the debtor's account or other number used by the creditor to identify the debtor.

3a. Debtor May Have Scheduled Account As:

Report a change in the creditor's name, a transferred claim, or any other information that clarifies a difference between this proof of claim and the claim as scheduled by the debtor.

3b. Uniform Claim Identifier:

If you use a uniform claim identifier, you may report it here. A uniform claim identifier is an optional 24-character identifier that certain large creditors use to facilitate electronic payment in chapter 13 cases.

4. Secured Claim:

Check whether the claim is fully or partially secured. Skip this section if the claim is entirely unsecured. (See Definitions.) If the claim is secured, check the box for the nature and value of property that secures the claim, attach copies of lien documentation, and state, as of the date of the bankruptcy filing, the annual interest rate (and whether it is fixed or variable), and the amount past due on the claim.

5. Amount of Claim Entitled to Priority Under 11 U.S.C. § 507 (a).

If any portion of the claim falls into any category shown, check the appropriate box(es) and state the amount entitled to priority. (See Definitions.) A claim may be partly priority and partly non-priority. For example, in some of the categories, the law limits the amount entitled to priority.

6. Credits:

An authorized signature on this proof of claim serves as an acknowledgment that when calculating the amount of the claim, the creditor gave the debtor credit for any payments received toward the debt.

7. Documents:

Attach redacted copies of any documents that show the debt exists and a lien secures the debt. You must also attach copies of documents that evidence perfection of any security interest. You may also attach a summary in addition to the documents themselves. FRBP 3001(c) and (d). If the claim is based on delivering health care goods or services, limit disclosing confidential health care information. Do not send original documents, as attachments may be destroyed after scanning.

8. Date and Signature:

The individual completing this proof of claim must sign and date it. FRBP 9011. If the claim is filed electronically, FRBP 5005(a)(2) authorizes courts to establish local rules specifying what constitutes a signature. If you sign this form, you declare under penalty of perjury that the information provided is true and correct to the best of your knowledge, information, and reasonable belief. Your signature is also a certification that the claim meets the requirements of FRBP 9011(b). Whether the claim is filed electronically or in person, if your name is on the signature line, you are responsible for the declaration. Print the name and title, if any, of the creditor or other person authorized to file this claim. State the filer's address and telephone number if it differs from the address given on the top of the form for purposes of receiving notices. If the claim is filed by an authorized agent, attach a complete copy of any power of attorney, and provide both the name of the individual filing the claim and the name of the agent. If the authorized agent is a servicer, identify the corporate servicer as the company. Criminal penalties apply for making a false statement on a proof of claim.

JUNE 22, 2005
[Date]

BREA

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ 612,500.00 (this amount is called "Principal"), plus interest, to the order of Lender. Lender is CJ MORTGAGE INC., A CALIFORNIA CORPORATION

I will make all payments under this Note in the form of cash, check or money order.

I understand that Lender may transfer this Note. Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 10.250 %. The interest rate I will pay may change in accordance with Section 4 of this Note.

The interest rate required by this Section 2 and Section 4 of this Note is the rate I will pay both before and after any default described in Section 7(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making a payment every month.

I will make my monthly payments on the 1st day of each month beginning on AUGUST 1 2005. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. IF, on JULY 1, 2035, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at 3230 E IMPERIAL HWY SUITE 203, BREA, CALIFORNIA 92821

or at a different place if required by the Note Holder.

(B) Amount of My Initial Monthly Payments

Each of my initial monthly payments will be in the amount of U.S. \$ 5,488.62. This amount may change.

(C) Monthly Payment Changes

Changes in my monthly payment will reflect changes in the unpaid principal of my loan and in the interest rate that I must pay. The Note Holder will determine my new interest rate and the changed amount of my monthly payment in accordance with Section 4 of this Note.

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the 1st day of JULY, 2007, and on that day every 6th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the average of interbank offered rates for six month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in *The Wall Street Journal*. The most recent Index figure available as of the first business day of the month immediately preceding the month in which the Change Date occurs is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding SIX AND 950/1000 percentage points (6.950 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 13.250 % or less than 10.250 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than ONE AND 000/1000 percentage point(s) (1.000 %) from the rate of interest I have been paying for the preceding 6 months. My interest rate will never be greater than 16.250 %. My interest rate will never be less than 10.250 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

5. BORROWER'S RIGHT TO PREPAY ** See attached Prepayment Note Addendum.

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under this Note.

I may make a full Prepayment or partial Prepayments without paying any Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount before applying my Prepayment to reduce the Principal amount of this Note. If I make a partial Prepayment, there will be no changes in the due dates of my monthly payments unless the Note Holder agrees in writing to those changes. My partial Prepayment may reduce the amount of my monthly payments after the first Change Date following my partial Prepayment. However, any reduction due to my partial Prepayment may be offset by an interest rate increase.

6. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me that exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

7. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.000 % of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal that has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

8. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Unless the Note Holder requires a different method, any notice that must be given to the Note Holder under this Note will be given by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

9. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

10. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

11. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses that might result if I do not keep the promises that I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions read as follows:

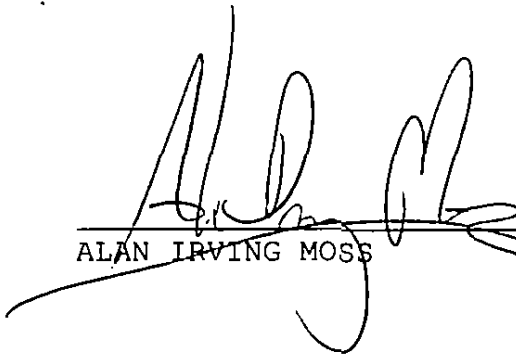

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

PREPAYMENT ADDENDUM TO NOTE

Loan Number: [REDACTED] 0931

Date: JUNE 22, 2005

Borrower(s): ALAN IRVING MOSS

THIS PREPAYMENT ADDENDUM TO NOTE (the "Addendum") is made this 22nd day of JUNE, 2005, and is incorporated into and shall be deemed to amend and supplement that certain promissory note (the "Note") made by the undersigned ("Borrower") in favor of CJ MORTGAGE INC., A CALIFORNIA CORPORATION

("Lender") and dated the same date as this Addendum. Repayment of the Note is secured by a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") given by Borrower in favor of Lender and dated the same date as this Addendum. To the extent that the provisions of this Addendum are inconsistent with the provisions of the Note, the provisions of this Addendum shall supersede the inconsistent provisions of the Note.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Note, Borrower and Lender further covenant and agree as follows:

Section 5 of the Note is amended to read in its entirety as follows:

5. BORROWER'S RIGHT TO PREPAY; PREPAYMENT CHARGE

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

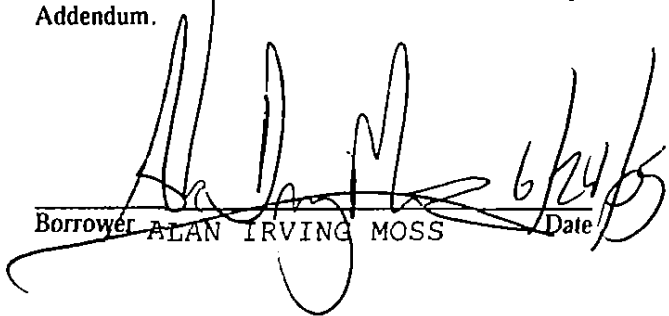

The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under the Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due dates of my monthly payment unless the Note Holder agrees in writing to those changes.

If the Note contains provisions for a variable interest rate, my partial Prepayment may reduce the amount of my monthly payments after the first Change Date following my partial Prepayment. However, any reduction due to my partial Prepayment may be offset by an interest rate increase.

If within TWENTY-FOUR (24) months from the date the Security Instrument is executed I make a full Prepayment or one or more partial Prepayments, and the total of all such Prepayments in any 12-month period exceeds TWENTY percent (20.000 %) of the original principal amount of the loan, I will pay a Prepayment charge in an amount equal to SIX (6) months' advance interest on the amount by which the total of my Prepayments within any 12-month period exceeds TWENTY percent (20.000 %) of the original principal amount of the loan.

If the Note contains provisions for a variable interest rate, and the purpose of the loan is to finance the purchase or construction of real property containing four or fewer residential units or on which four or fewer residential units are to be constructed, then I may prepay the loan in whole or in part without a Prepayment charge within 90 days of notification of any increase in the rate of interest.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this Addendum.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may

be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the

Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee and Borrower further agrees to generally assign rights to insurance proceeds to the holder of the Note up to the amount of the outstanding loan balance. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee and Borrower further agrees to generally assign rights to insurance proceeds to the holder of the Note up to the amount of the outstanding loan balance.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement

is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or

other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee shall cause this notice to be recorded in each county in which any part of the Property is located. Lender or Trustee shall mail copies of the notice as prescribed by Applicable Law to Borrower and to the other persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

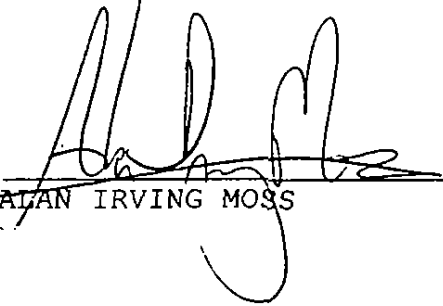

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

23. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Lender may charge such person or persons a reasonable fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law. If the fee charged does not exceed the fee set by Applicable Law, the fee is conclusively presumed to be reasonable.

24. Substitute Trustee. Lender, at its option, may from time to time appoint a successor trustee to any Trustee appointed hereunder by an instrument executed and acknowledged by Lender and recorded in the office of the Recorder of the county in which the Property is located. The instrument shall contain the name of the original Lender, Trustee and Borrower, the book and page where this Security Instrument is recorded and the name and address of the successor trustee. Without conveyance of the Property, the successor trustee shall succeed to all the title, powers and duties conferred upon the Trustee herein and by Applicable Law. This procedure for substitution of trustee shall govern to the exclusion of all other provisions for substitution.

25. Statement of Obligation Fee. Lender may collect a fee not to exceed the maximum amount permitted by Applicable Law for furnishing the statement of obligation as provided by Section 2943 of the Civil Code of California.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any Rider executed by Borrower and recorded with it.

ADJUSTABLE RATE RIDER
(LIBOR Six-Month Index (As Published In *The Wall Street Journal*)
- Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this 22nd day of JUNE, 2005
and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or
Security Deed (the "Security Instrument") of the same date given by the undersigned ("Borrower") to secure
Borrower's Adjustable Rate Note (the "Note") to CJ MORTGAGE INC., A CALIFORNIA
CORPORATION

("Lender") of the same date and covering the property described in the Security Instrument and located at:

86 SAN LUCAS AVE., MOSS BEACH, CALIFORNIA 94038

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE
INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE
AMOUNT BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND
THE MAXIMUM RATE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security
Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 10.250 %. The Note provides for changes
in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the 1st day of JULY, 2007
and on that day every 6th month thereafter. Each date on which my interest rate could change is called
a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the
average of interbank offered rates for six month U.S. dollar-denominated deposits in the London market
("LIBOR"), as published in *The Wall Street Journal*. The most recent Index figure available as of the first
business day of the month immediately preceding the month in which the Change Date occurs is called the
"Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon
comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding SIX AND 950/1000 percentage points (6.950 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 13.250 % or less than 10.250 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than ONE AND 000/1000 percentage points (1.000 %) from the rate of interest I have been paying for the preceding 6 months. My interest rate will never be greater than 16.250 %. My interest rate will never be less than 10.250 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER
Uniform Covenant 18 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan

assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption.
